Dear Shareholder,

27 April 2023

Deltic Energy Plc: 2023 AGM

I am pleased to enclose the Notice of AGM for the Company's 2023 AGM. The AGM will be held on Wednesday 24 May 2023 at 10.30 a.m. at the offices of K&L Gates LLP, One New Change, London, EC4M 9AF. The Notice convening the AGM is set out on pages 7 to 8 of this document and a Form of Proxy for use in connection with the AGM is enclosed. The notes to the Notice of AGM can be found on pages 8 to 9.

Resolutions to be Proposed

1. **Directors' report and accounts (Resolution 1)**

This resolution will be proposed as an ordinary resolution. The Directors of the Company are required by the Act to present to the AGM the Directors' and auditors' reports and the audited accounts for the year ended 31 December 2022. The report of the Directors and the audited accounts have been approved by the Directors, and the report of the auditors has been approved by the auditors, and a copy of each of these documents may be found in the Annual Report and Accounts of the Company.

2. **Re-election of Directors - Peter Cowley (Resolution 2)**

This resolution will be proposed as an ordinary resolution. Article 85 of the Company's Articles states that any Director who has held office with the Company for a continuous period of nine years or more at the date of the AGM shall retire at the AGM. Accordingly, Peter Cowley is retiring and offering himself for re-election under this provision.

Biographical details of all of the Directors are set out on page 24 of the Annual Report and Accounts of the Company.

3. **Re-election of Directors - Mark Lappin (Resolution 3)**

This resolution will be proposed as an ordinary resolution. Article 85 of the Company's Articles states that any Director who was not appointed or re-appointed at one of the preceding two AGMs of the Company shall retire at the next AGM. Accordingly, Mark Lappin is retiring and offering himself for re-election under this provision.

Biographical details of all of the Directors are set out on page 24 of the Annual Report and Accounts of the Company.

4. **Re-election of Directors - Graham Swindells (Resolution 4)**

This resolution will be proposed as an ordinary resolution. Article 85 of the Company's Articles states that any Director who was not appointed or re-appointed at one of the preceding two AGMs of the Company shall retire at the next AGM. Accordingly, Graham Swindells is retiring and offering himself for re-election under this provision.

Biographical details of all of the Directors are set out on page 24 of the Annual Report and Accounts of the Company.

5. **Appointment and remuneration of auditors (Resolution 5)**

This resolution will be proposed as an ordinary resolution. This resolution proposes the appointment of PKF Littlejohn LLP as the auditors of the Company and, in accordance with standard practice, gives authority to the Directors to determine their remuneration.

6. Consolidation of shares (Resolution 6)

At the date of this document there are 1,861,931,992 Existing Ordinary Shares of 0.5 pence each in the capital of the Company in issue. The Directors consider that the number of Existing Ordinary Shares is unwieldy in volume given Deltic Energy's market capitalisation and that, when combined with the Company's prevailing share price, may not at times be conducive to an orderly market. The Directors believe that both these factors have the potential at times to cause a de-stabilising effect on the Company's share price. The Directors' consider that the Share Consolidation will result in a more appropriate share capital structure for the Company which is expected to increase the Company's share price proportionately which may consequently positively impact the liquidity of and trading activity in the Company's shares; and provide the basis for enhanced perception of the Company, improving its marketability to a wider investor group

Under the Share Consolidation, it is proposed that every 20 Existing Ordinary Shares be consolidated into one New Ordinary Share of 10p each. Accordingly, the proportion of Existing Ordinary Shares held by each Shareholder immediately before the Share Consolidation will, save for fractional entitlements (which are discussed further below), be the same as the proportion of New Ordinary Shares held by each Shareholder immediately after the Share Consolidation. The Board believes that the Share Consolidation will result in a more appropriate number of shares in issue for a company of the Company's size.

The New Ordinary Shares will carry equivalent rights to the Existing Ordinary Shares, save as to nominal value.

To effect the Share Consolidation, it will be necessary to issue 8 additional Existing Ordinary Shares so that the Company's issued ordinary share capital is exactly divisible by 20. It is proposed that these additional Existing Ordinary Shares will be issued to the Company's share registrars, Share Registrars Limited. These additional Existing Ordinary Shares would only represent an entitlement to a fraction of a New Ordinary Share, so this fraction would be sold pursuant to the arrangements for fractional entitlements described below.

In the event that the number of Existing Ordinary Shares held by a Shareholder is not exactly divisible by 20, the Share Consolidation will generate an entitlement to a fraction of a New Ordinary Share.

The Company proposes that any such fractional entitlements will be aggregated and sold in the market for the best price reasonably obtainable with the proceeds being to the benefit of the Company, in accordance with Article 16.1 of the Articles. Given the small economic value of such fractional entitlements, the Board is of the view that the distribution of the sale proceeds to individual Shareholders would result in a disproportionate cost to the Company.

Any Shareholder holding fewer than 20 Ordinary Shares at the Record Date will cease to be a Shareholder.

The issued share capital of the Company immediately following the Share Consolidation is expected to comprise 93,096,600 New Ordinary Shares.

The entitlements to New Ordinary Shares of holders of share options or other instruments convertible into Existing Ordinary Shares will be adjusted in accordance with their terms to reflect the Share Consolidation.

Application will be made for the simultaneous cancellation of the Existing Ordinary Shares from CREST and admission of the New Ordinary Shares to CREST and their admission to trading on AIM. The New Ordinary Shares may thereafter be held and transferred by means of CREST. It is expected that New Ordinary Shares which are held in uncertificated form will be credited to the relevant CREST accounts on 25 May 2023 and admitted to trading on AIM on the same day.

Definitive share certificates in respect of those New Ordinary Shares which will be held by Shareholders who currently hold their Existing Ordinary Shares in certificated form are expected to be dispatched to relevant Shareholders on or around 1 June 2023. Share certificates in respect of Existing Ordinary Shares will cease to be valid on 25 May 2023 and, pending delivery of share certificates in respect of New Ordinary Shares, transfers will be certified against the register.

7. Directors' authority to allot shares (Resolution 7)

This resolution will be proposed as an ordinary resolution. Under the Act, the Directors may only exercise the Company's powers to allot shares if authorised to do so in accordance with section 551 of the Act. The existing authority conferred on the Directors will expire at the conclusion of the AGM and it is proposed under resolution 7 to confer on the Directors authority for a further period expiring at the conclusion of the annual general meeting in 2024 or, if earlier, on 31 August 2024. The authority will be limited to shares up to a maximum nominal amount of £3,103,220 (representing approximately one third of the Company's issued ordinary share capital as at 26 April 2023, being the latest practicable date prior to the publication of this document) and a further £3,103,220 (provided that such additional authority may only be used for the issue of shares pursuant to a rights issue).

Although at present the Directors have no current intention of exercising this authority, it is considered prudent to maintain the flexibility that it provides.

As at the date of this document, the Company does not hold any of its shares in treasury.

8. Disapplication of pre-emption rights (Resolution 8)

In line with the previous year, the Directors seek a 25% disapplication of pre-emption rights in respect of allowing the Directors to allot new ordinary shares for cash. The Board recommends that Shareholders approve a 25% disapplication of pre-emption rights at the coming AGM, in order to provide your Board with the flexibility to quickly and efficiently raise any further funds that might be necessary.

This resolution will be proposed as a special resolution. The Act also requires that equity securities which are to be allotted for cash must first be offered to existing Shareholders on a pre-emptive basis in accordance with the requirements of section 561(1) of the Act. In accordance with normal practice, the Directors are proposing resolution 8 as a special resolution to disapply the provisions of section 561(1) in relation to certain share issues.

Resolution 8 will, if passed, empower the Directors to allot equity securities for cash otherwise than in accordance with the statutory pre-emption requirements either in connection with a rights issue or other pro rata offer or otherwise up to a maximum nominal amount of £2,327,415 representing approximately 25 per cent. of the Company's issued ordinary share capital as at 26 April 2023 (being the latest practicable date prior to the publication of this document). The power will expire at the conclusion of the annual general meeting in 2024 or, if earlier, on 31 August 2024.

Recommendation

The Board considers, for the reasons set out above, that each of the Resolutions are in the best interests of the Shareholders as a whole. Accordingly, the Board unanimously recommends Shareholders to vote in favour of each of the Resolutions at the Annual General Meeting, as the Directors intend to do so in respect of their own beneficial holdings of the Company's ordinary shares.

If Shareholders are not able to attend the AGM in person, they are strongly encouraged to vote via completion of a Form of Proxy. Full details of how to complete the Form of Proxy are contained in the attached Notice of AGM.

The results of the voting on all resolutions will be announced via the Regulatory News Service and published on our website as soon as practicable following conclusion of the AGM.

Yours faithfully,

Mark Lappin

Chairman

Notes:

1. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the number of votes that may be cast), Shareholders must be entered in the register of members of the Company at 10.30 a.m. on 22 May 2023 (or, in the event of any adjournment, 48 hours (excluding non-business days) before the time appointed for the holding of the adjourned AGM). Changes to the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the AGM.
 2. A member entitled to attend the AGM is entitled to appoint another person as their proxy to exercise all or any of their rights to attend and to speak and vote at the AGM. A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by the member. A member wishing to appoint more than one proxy should contact the Company's registrars, Share Registrars Limited, 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX. A proxy need not be a member of the Company. Appointing a proxy will not prevent a member from attending and voting at the AGM in person.
 3. You can register your vote(s) for the Annual General Meeting either:
 - by logging on to www.shareregistrars.uk.com, clicking on the "Proxy Vote" button and then following the on-screen instructions (you can locate your user name and access code on the top of the Form of Proxy);
 - by post or by hand to Share Registrars Limited, 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX using the Form of Proxy accompanying this Notice;
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in note 10 below.
- In order for a proxy appointment to be valid the proxy must be received by Share Registrars Limited by 10.30 a.m. on 22 May 2023.
4. A Form of Proxy for use in relation to the AGM is enclosed. To be valid, the Form of Proxy and any power of attorney or other authority under which it is signed (or a notarially certified copy of such power or authority) must be deposited with the Company's registrars, Share Registrars Limited, 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX, not less than 48 hours (excluding non-business days) before the time appointed for the holding of the AGM or any adjourned AGM.
 5. In the case of a member which is a company, the Form of Proxy must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
 6. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the relevant Resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
 7. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
 8. To change your proxy instructions simply submit a new Form of Proxy using the method set out above. Note that the cut-off time for receipt of Forms of Proxy (see above) also applies in relation to amended instructions; any amended Form of Proxy received after the relevant cut-off time will be disregarded. If you submit more than one valid Form of Proxy, the appointment received last before the latest time for the receipt of proxies will take precedence.
 9. In order to revoke a Form of Proxy you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Share Registrars Limited at 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Share Registrars Limited no later than 10.30 a.m. on 22 May 2023, or 48 hours (excluding non-business days) before any adjourned AGM.

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 24 May 2023 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's Agent (ID 7RA36) by the latest time(s) for receipt of proxy appointments specified in this Notice of AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's Agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the appointee by other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the CREST Regulations.

11. As at 26 April 2023 (being the latest practicable date prior to the publication of this Notice), the Company's issued share capital consisted of 1,861,931,992 Existing Ordinary Shares of 0.5 pence each. Each Existing Ordinary Share carries the right to one vote at an annual general meeting of the Company and, therefore, the total number of voting rights in the Company as at 26 April 2023 was 1,861,931,992.
12. In accordance with section 319A of the Act, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
13. In accordance with section 311A of the Act, a copy of this Notice and the other information required by that section is available on the Company's website <https://www.delticenergy.com/>.
